Sponsoring a RISE Student

RISE Scholarship students are bright, highly motivated high school students who have made a commitment to their future by enrolling in competitive college-preparatory high schools and upholding the academic and behavioral standards of the RISE Scholarship Program.

A ‘Sponsor’ can be an individual, a group of individuals, a company, or an employee with a company match. There are two levels of Sponsorship:

- **Full Sponsorship:** RISE Sponsors at the full level commit to paying \$4,000 a year for a minimum of four years. These payments are used to support one student’s tuition for the term of the commitment.
- **Half Sponsorship:** RISE Sponsors at the half-sponsorship level commit \$2,000 a year for a minimum of four years. These payments are used to support one student’s tuition for the term of the commitment.

All RISE Sponsors receive regular updates on student academic progress and extracurricular pursuits, including report cards and notes of gratitude. RISE Sponsors may also choose to mentor the student they support, although it is not required. All scholarship students are matched with mentors in addition to receiving tuition support.

If being a Sponsor is not for you, consider contributing to our Scholarship Fund

- **Scholarship Fund:** Participants in the Scholars Fund may donate in any amount without a multi-year commitment. These dollars are allocated explicitly to cover tuition for students without sponsors as well as additional supports such as uniforms, books, tutoring, SAT preparation, and college tours. Donations to the Scholarship Fund should be made out to RISE and sent to the address below.
